Re: Aeronet Global Communications Inc.'s Petition for Rulemaking to Amend The Commission's Allocation and Service Rules For the 71-76 GHz, 81-86 GHz, and 92-95 GHz Bands to Authorize Aviation Scheduled Dynamic Datalinks, RM-11824; Aeronet Global Communications Inc.'s Petition for Rulemaking to Amend The Commission's Allocation and Service Rules For the 71-76 GHz, 81-86 GHz, and 92-95 GHz Bands to Authorize Maritime Scheduled Dynamic Datalinks, RM-11825

Dear Ms. Dortch:

I am writing to express Loon LLC's support for the Commission to move forward expeditiously with the release of a Notice of Proposed Rulemaking with respect to the above-captioned Petitions for Rulemaking. As stated in our comments, Loon believes that Aeronet's proposed E-Band rule modifications will result in significant consumer and public interest benefits.¹

Sincerely,

/s/ Julie M. Kearney

Julie M. Kearney
